affiliated with the Association of American Colleges

September 1975

The attached report is a summary of state legislation and programs relating to state aid for independent (private) colleges and universities. It is current as of September, 1975.

The information was furnished by the officers and executive directors of the thirty-seven state associations to the central office of the National Council of Independent Colleges where it was compiled by Mrs. Betty Ford.

We are grateful to the executives and officers of the state associations for their cooperation in gathering this data.

Additional copies in limited number may be obtained from NCICU and the material may be quoted as needed. We do request that credit be given to the National Council of Independent Colleges and Universities as the source of the information. Thank you.

*The grant is based on the number of Connecticut resident students, full-time plus the full-time equivalent of part-time.

CONNECTICUT (continued)

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
		and noncontinuing high school graduates; includes recruitment, counseling, and placement. Funding: 1975-76, $48,600.			about 29,000 students. (g) Higher education grants to in- or out-of-state public or private institutions to provide student aid. Administered same as 6 (a) above. Funding: 1975-76, $192,600.	

FLORIDA

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
(a) New statute expresses legislative intent that regents contract with private institutions when such are in the interests of the state.	None	(a) Seminole and Miccosukee Indian Scholarship Program. Funding: 1975-76, $4,800. Awards: $600 per student.	None	(a) Capitation support for Florida residents in M.D. training at Univ. of Miami Medical School. Funding: 1975-76, $4,228,248. Distribution: $8,500 per student.	(a) Florida Insured Student Loan Program for eligible students to attend accredited public or private post-secondary education institutions in Florida. Funding: $40 million authorized by the legislature to be issued in revenue bonds for student loans. $11.4 million authorized for 1975-76. Distribution: Maximum loan, $2500 per academic year. Restrictions: Students must qualify for federal interest benefits and must be a Florida resident for one year. (b) Florida Student Assistant Grant Program for students at accredited public or private institutions. Funding: 1975-76, $4 million plus federal SSIG funds allocated to state. Distribution: Received in the amount of relative need not to exceed $1,200 per academic year or to be less than $200 per academic year. Restrictions: Recipients to have been state residents for 2 years and be a U.S. citizen. (c) See Column 5 (medical/dental/nursing).	None

GEORGIA

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	None	None	None	None	(a) Tuition grants for state residents attending private accredited institutions. Funding: 1975-76, about $6 million. Distribution: $400 per student per academic year.* Restrictions: Prohibited for primarily sectarian institutions; excludes institutions receiving state funds under 1970 Junior College Act. (b) State incentive scholarships for residents for first-time full-time students in in-state public or private institutions. Funding: 1974-75, $800,000. Distribution: Up to $450 per student.	None

*Full program covering all four undergraduate years implemented in 1974-75 and to graduate and professional students after 1974-75. In 1974 a $600 level was authorized. In 1975 $500 was actually appropriated but because of economic conditions grants are still being made at $400.

ILLINOIS

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	(a) Direct grants to private institutions for state residents enrolled. Funding: 1975-76, $13.3 million.* Distribution: $100 per each freshman or sophomore State Scholarship Commission recipient; $200 for each junior or senior state resident.	(a) See Column 6 (student assistance)	(a) Ill. Educational Facilities Authority created in 1970. Purpose: Issue revenue bonds for educational facilities construction at private institutions.	(a) Grants for increased enrollment of Illinois residents in medical, dental, nursing, allied health and residency programs. Funding: 1975-76, $21 million.* Distribution: By formula and project grant.	(a) State grant program based on financial need for state residents attending public or private institutions. Funding: 1975-76, $58.8 million.* Distribution: Maximum $1,500 per student or tuition and fees.	(a) Project grants for interinstitutional cooperation, public and and private. Funding: 1975-76, $840,000.*

*Because of fiscal stringency, the Governor cut appropriations by 6% from his budget. This reduction will be considered by the legislature in October, 1975.

INDIANA

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	None	None	Non_	None	(a) State Scholarship Program awarded on competitive basis; factor of need also considered. Funding: 1975-76, $11,691,030. Distribution: Stipend limited to cost of tuition and fees or $1,400 whichever is less. (b) Educational grant program based on need upon admission to any accredited Indiana institution. Funding: 1975-76, $2,082,894. (c) "Freedom of Choice" grants--students can receive maximum tuition at a private institution if need is proven. Funding: 1975-76, $1,600,000. Restrictions: Student must first receive maximum award under Column 6(a) or 6(b) before qualifying.	(a) Tax credits allowed against state income tax equal to amount of contributions to public and private institutions of higher education in the state. Taxpayers: 20% of adjusted gross income or $50, whichever is less; maximum credit of $100 on joint return. In 1974 23,838 taxpayers took credit for $1,044,901. Corporations: 5% of total adjusted gross income or $500 whichever is less. In 1974 about 4,000 corporations took credit for $1 million. (b) Legislation enabling independent colleges and universities in the state to become members of Indiana Higher Education Telecommunication System. Funding: 1975-76, $189,904.

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	None	None	None	(a) Unrestricted grant for Des Moines College of Osteopathic Medicine and Surgery. Funding: 1975-76, $750,000. Restrictions: 30% of fall first-time enrollment must be Iowa residents; penalty: $10,000 decrease for each student under 30% (b) Medical tuition loan program for medical students at public or private medical schools. Funding: 1973-74, $95,560 (program discontinued in 1974-75).	(a) Scholarships based on ability and financial need and usable at any accredited public or private institution in state by residents. Funding: 1973-74, $300,000; 1974-75, $325,000. Distribution: $100-610 depending on need and tuition. Restrictions: Used only for tuition and fees. (b) Tuition grants for low- and middle-income students at Iowa private colleges of their choice. Funding: 1975-76, $9 million. Distribution: Maximum of $1,300 per year based on family financial need. Restrictions: Cannot exceed tuition and fees minus average amount that would be paid at state institution.	None

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	None	(a) See Column 6 (b) (student assistance)	None	None	(a) Competetive scholorship program; renewable yearly for maximum of four years. Funding: 1975-76, $290,000 plus federal SSIG funds allocated to state. Distribution: $500 or financial need. (b) Tuition grants for low- and middle-income students at Kansas private colleges.* Funding: 1975-76, $2.9 million. Distribution: Tuition, fees or financial need based on family contributions, whichever is less; maximum, $1,000. Restrictions: Student must pay $450 before grant is calculated against total cost.	None

*Program was ruled constitutional except for five colleges with required religious programs. All these have changed their program focus and the Attorney General has ruled their reinstatement in the program.

KENTUCKY

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance/ Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other

1 Contracts	2 Direct Institutional Aid	3 Disadvantaged/ Minorities	4 Facilities Assistance Authorities	5 Medical/Dental/ Nursing	6 Student Assistance	7 Other
None	None	(a) See Column 6(c) (Student Assistance)	None	None	(a) Student aid program based on need -- students may attend institutions of their choice in state. Funding: 1973-75, $4,600,000 (includes original appropriation of $2.8 million plus an additional appropriation of $1.8 million.)* Distribution: 1/3 difference college cost and total family contribution. (b) In april 1973 the Higher Education Student Assistance Authority was established to provide a secondary market for student loans in private and public universities by selling guaranteed bonds. Students may borrow up to $2,500 a year at 7%. Funding: 1973-74, $250,000 for administrative start-up costs.** (c) New Program (April 1974) -- Establishment of a state-wide college-work study program for students in accredited institutions of higher education or any public voc-tech school in the state. Will provide for half-time student as well as full-time student. Funding: 1973-75, $750,000.	(a) September 1973 legislation further clarified tax-exempt status of private institutions properties and services. Approximate Dollar Savings to Private Institutions: $7,500,000. (b) 1973 legislation exempting private college and university faculty retirement programs from state inheritance taxes. (c) 1973 Uniform Management of Funds Act allowed greater flexibility in investment of endowment funds and other related gifts to non-profit organizations. (d) 1974 legislation establishing a 2% tax exemption for TIAA-CREF so the company can continue to do business in Wash. and preserve retirement programs. (e) 1974 legislation establishing a clearinghouse for technological education with contracting possiblities for both private colleges and universities. Funding: 1973-75, $35,000 (Optometry Program start-up costs). (Continued)

* The additional appropriation of $1.8 million was an approved fund transfer from the tuition supplement program which was declared unconstitutional based on State Constitution, May 1973.

In addition to the $4.6 million the state will receive approximately $400,000 in matching funds in the fall of 1974 to be used in the Spring of 1975 to sustain the program's momentum.

** Pending litigation involving the Authority and regarding the constitutionality of its existence is now before the State Supreme Court. Oral arguments were heard on May 13, 1974. An early decision is expected considering the necessity of a decision prior to implementation of the program.
